

# Show me Healthy Woman Program

Woman may qualify for free breast and cervical cancer screening through the **Show me Healthy Woman Program**, by contacting a participating provider, listed below:

COUNTY	PROVIDER	PHONE NUMBER	STREET ADDRESS	CITY	STATE	ZIP
ST LOUIS CO	Breast Healthcare Center (Missouri Baptist)	(314) 996-7585	3023 North Ballas Road, Suite 630	Town & Country	MO	63131

Volunteers in Medicine patients should be eligible for these exams, meeting the following age guidelines:

Woman Age 50 to 64 are eligible for:

- Clinical breast exam, mammogram, plus a pelvic exam and Prep test.

Woman Ages 35 to 49 are eligible for:

- Pelvic exam, Pap test and breast exam.
- Further testing if the breast exam is suspicious for cancer
- Further testing if the Pap test is abnormal.

Woman who have had a hysterectomy are eligible for:

- Breast exam, pelvic exam and Pap test, if hysterectomy was for cervical cancer or dysphasia.
- Pap test and pelvic exam to determine if there is a cervix
- Breast exam if cervix is absent.

When calling to schedule an appointment, it is important to state that you want to participate in the ***Show me Healthy Woman Program.***
